## .director selection, appointment & re-election policy & procedures

### Approval by Shareholders

Under the Vita Group Constitution, any person appointed as a Director by the Board (other than the Managing Director), either as an addition to the Board or to fill a casual vacancy, holds office until the next AGM. The Director is eligible for election as a Director at that meeting and, if elected, will be subject to retirement by rotation under Vita Group's Constitution.

### Re-election Procedures

1. Each Director completes a self-assessment of their performance as a Director annually, and this is discussed with the Chairman. When a Director is due to stand down at the next AGM, particular attention is paid to the Director's performance and contribution, preparation for meetings, and time availability.
2. Prior to the Notice of Meeting for the AGM being sent out, the Remuneration & Nomination Committee reviews the performance of each Director due to stand down, and reviews the mix of skills and experience required by the Board. Each Director involved is asked to formally acknowledge that he/she has sufficient time available to carry out the duties of a Director of Vita Group. If it is considered that a Director due to stand down should be recommended for re-election, a formal recommendation is made by the Committee.
