Questions from Shareholders

The Annual General Meeting (AGM) of Fone Zone Group Limited will be held on Monday 29 October 2007 at 2.00pm. Shareholders are invited to register questions in advance of the AGM.

This form may also be used to submit a written question to the auditor if the question is relevant to the content of the auditor's report or the conduct of the audit of the financial report to be considered at the AGM.

During the AGM the chairman will endeavour to respond to as many of the more frequently asked questions as is practicable. Responses to the more frequently asked questions will be available on the Fone Zone website after the AGM, and where it is not possible to address a question at the meeting, an individual response will be sent to the shareholder who raised the question.

Shareholders questions must be received by Monday 22 October 2007. Please return the form to our Share Registry, Computershare Investor Services Pty Ltd, GPO Box 523, Brisbane Qld 4001 or by facsimile to +61 7 3237 2152. The envelope provided for the return of your proxy form may also be used for this purpose. Alternatively, you may email your questions to investor@fonezone.com.au. If emailing please include your name and securityholder reference number (SRN) or Holder Identification Number (HIN)

Please tick the box to indicate if the question is directed to the Auditor or to Chairman
